LAPTOP BAG TOPLOADER 14–15.6

Your notebook will arrive at its destination safely with this BASE XX toploader model. Regardless whether you are on the go in a professional or private capacity, your electronic device is well protected in the padded pocket.

A fastening strap also ensures that your device is held in place securely without slipping. The main compartment offers additional space for documents and personal items. Mobile accessories such as your smartphone, business cards, pens and so on are always within easy

reach in the front zip pocket with built-in workstation. The length-adjustable and removable shoulder strap and handles make the bag very easy to carry. BASE XX emphasises the durability of the product with an extended five year guarantee.

Project & tenders: The BASE XX collection has been designed to meet the needs of tenders and large projects. For any enquires about specific opportunities, please contact the team at project@basexx.com
