

USB-C mini wall charger, 1x USB-C, PD 20 W, white

DELTAACO

- Conveniently small
- Fast charge (20W)
- Safety features

This compact USB-C mini wall charger is a small but powerful charger that is perfect for travel and on-the-go charging. Even though it has a conveniently small size, it has a powerful voltage of 20W. With a voltage of 20 W, you can charge an iPad Pro 11" to 100% in just 2.5 hours (8 hours with a regular charger) or fully charge an iPhone 12 in approximately 1.5

The charger features one USB-C port, allowing you to quickly charge your device without the hassle of multiple cables. Its advanced safety features ensure your device is protected against overcharging, overheating, and short-circuiting. Fast and safe charging - in a compact and convenient package.

SPECIFICATIONS
