Albrecht Audio has developed a new digital radio which is so uncomplicated and easy to use that it can be used by EVERYONE. buttons with large lettering and a very clear screen allow the operation of the radio, even if the glasses should not be at hand. With the included remote control, the favorite stations can be called from the comfort of the sofa.

The radio can be used in 2 different operating modes. In the senior mode, only the functions switch on/off, adjust volume and call up favorite stations are available.

Thanks to the integrated CD player and the 2 powerful 15 watt speakers you can still enjoy the music of your CD collection in the best sound quality.
