### Let There Be (Bright, Handy LED Flash-) Lights

Keep this portable Manhattan LED Aluminum Flashlight on hand to brighten up any dark corner. This flashlight is big in terms of the light it can shine — 45 lumens — through nine LEDs, but its compact, high-quality housing is small enough to easily store in your glove compartment, purse or pocket. Three included AAA batteries give you many hours of use, and a convenient carry loop offers easy transport.

#### Features:

- Long-lasting performance on 3 AAA batteries (included)
- High-quality aluminum housing with convenient carry loop
- Nine bright LEDs activated with tail-cap switch
- Three-year warranty
