Armor A30

1TB / 500GB

www.silicon-power.com

Military-grade Shockproof Protection.

Armor A30 is comprised of a shock-resistant silica gel, building from the internal structure to the exterior, adding an extra shield to withstand crushes and shocks. Furthermore, Armor A30 has passed the test in compliance with stringent US military MIL-STD-810G (transit drop test), giving users a full range of protection when dealing with toughest conditions.

Cable wrap-around design.

Armor A30 provide the bulging silica gels, which are symmetrically built on the outer case, transform into exterior slots for cable to store and wrap around the case. This brilliant design offers an ideal storage solution and practicality.

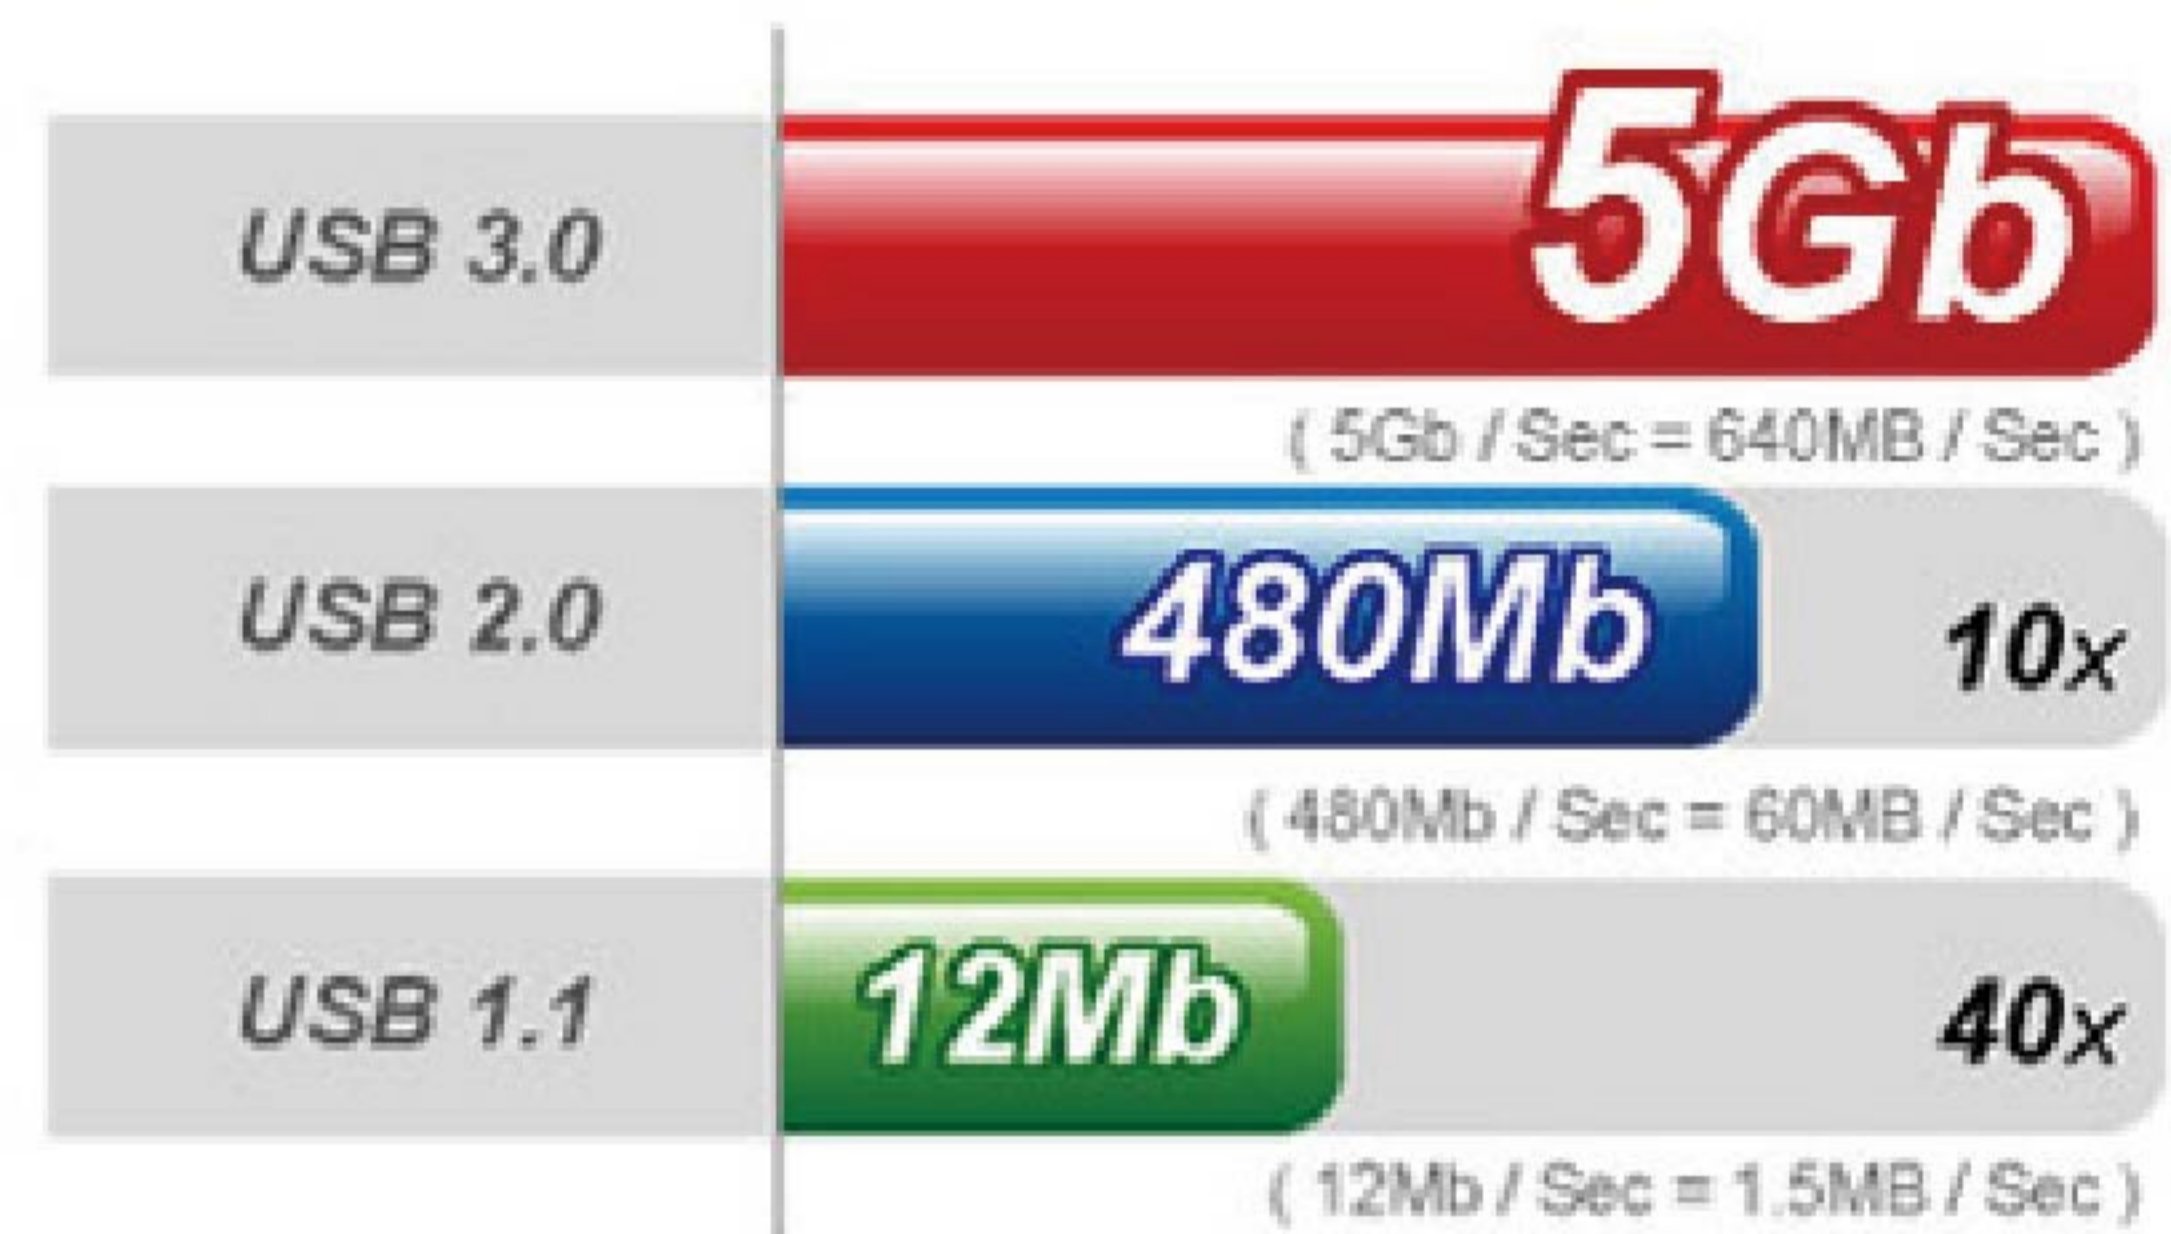

Features

- SuperSpeed USB 3.0 compliant and backwards compatible with USB 2.0
- Meet the U.S. military drop-test standards MIL-STD 810G Method 516.6 Procedure IV (transit drop test), including specific height free fall test (122cm)
- Cable carry design
- Advanced internal hard drive suspension system
- Easy Plug in and use - no external adapter required
- SP Widget free download software, providing 7 major back-up and security functions

Hexagonal pattern for scratch resistant.

Armor A30 features a distinguished hexagonal pattern covering over the surface, which makes A30 more durable to any scratches or fractions while using on a daily basis.

Ultra Fast Transfer Rate.

Armor A30 outstanding read/write speed is coupled with the latest USB 3.0 interface feature a 5Gb/s bandwidth which is 10x the bandwidth of a USB 2.0 interface. It saves users precious time backing up to and from the hard drive when transferring mass data files.

Specifications

- Dimensions: 87.5 x 134 x 18.6 mm
- Weight: 181g
- Standard Compliance : USB 3.0 / 2.0
- Data Transfer Rates : Max. 5 Gb/s (USB 3.0 Mode); Max. 480 Mb/s (USB 2.0 Mode)
- Power Supply : DC 5V (Power supplied through USB)
- Supported Operating Systems : Windows 8/7/Vista/XP/2000, Linux 2.6.31 or later, Mac OS 10.5 or later (only USB 2.0 currently supported)
- Operating Temperature : 5°C~ 55°C
- Storage Temperature : -40°C~ 70°C
- Capacity: 500GB, 1TB
- Color : Black, White
- Three-year warranty
